

AVIAXESS Helicopter & Jet is the **Polo Club Saint Tropez** air partner in 2009.

The alliance of performance and lifestyle takes place in this union:

The helicopter EC130B4 (Eurocopter) of **AVIAXESS**, based at the Toulon-Hyères international airport and **marked with the Saint-Tropez Polo Club colors**, will be present during the three main important polo tournaments 2009. Both partners will offer to the winning teams a transfer towards the airports of Saint-Tropez La Môle or Nice International, as well as a panoramic flight around the Porquerolles Island for two people, during the **International Polo Cup** Saint-Tropez, next July the 12th, the **Côte d'Azur Polo**, 17th of August and the **Polo Gold Cup**, 13th of September.

Besides, throughout the season, the privileged members of the Saint-Tropez Polo Club could benefit from a discount of 5 % on helicopter and jet flights in France and in Europe, by asking for free their AVIACARD, a loyalty and subscription corporate card.

Few words about AVIAXESS :

AVIAXESS Helicopter and Jet is a new generation business airline company.

Created in France in 2002, the management team accumulates an experience in the business aviation of 25 years

AVIAXESS Helicopter and Jet is a real innovative business airline company thanks to her double culture marked with helicopters and jet background.

AVIAXESS Helicopter and Jet is both an international charter operator and an airline company, operating 35 helicopters established in the major European capitals (12 aircrafts based on its terminal of Paris) and throughout a unique network of 90 jets in Europe and more than 900 worldwide. This double capacity give an access to 5 500 airports.

As an airline company, it naturally applies and even exceeds the safety standards promulgated by the Civil Aviation and the European regulation, as well for the pilots training as aircrafts maintenance.
